SPECIAL NOTE:

Mr. Tamborrino is the Partner in Charge of
Cornerstone Architectural Group's sister
company;

ArchCon Design Management, LLC.

which offers Construction and Construction
Management Services for those of our clients
interested in a complete Design/Build Project
delivery.

Vito Tamborrino's career in design and construction has progressed through more than 30 years of practice with architectural firms and a developer/construction company. As a registered Architect, his career commenced in the educational market for some 17 years, before becoming involved in the construction aspect of the business.

His expertise is the ability to work with the clients in providing quality design, scheduled to meet the Client's timetable and within the Client's budget. Constant review of the projects, keeping all goals in sight, has enabled his clients to be extremely satisfied with the completed building designs.

As a team member of Cornerstone Architectural Group LLC, His experience, expertise and service oriented commitment to quality architecture combines both his architectural and construction backgrounds. He interfaces with all levels of administration, staff, management, consultants, contractors and vendors to assure that all parties work together for a single goal of meeting the Owner's expectations, schedule and budget.

He provides administrative, design and construction management duties with the firm. Mr. Tamborrino assumes executive administrative responsibility for all educational projects. In addition, he serves as a client liaison for the project design team.

Mr. Tamborrino is a licensed Architect in the States of New Jersey and Pennsylvania. He is an active member of the American Institute of Architects (AIA) at the national, state and local levels. He has served as an officer of AIA Central New Jersey Section. Mr. Tamborrino is a member of the Architectural Advisory Committee for Brookdale Community College, Lincroft, New Jersey. He was a member of several Ad Hoc committees for the Easton Area School District, Easton, Pennsylvania and is a 15 year member and Chairman of the Forks Township Pennsylvania (Easton Area) Planning Commission.
