

Dominick Lorusso, Assoc. AIA

Position

Project Designer

Education

Wentworth Institute of Technology
Boston, Massachusetts
Bachelor of Science - Architecture Degree

Registration

Associate American Institute of Architects
(AIA)

Dominick Lorusso has over 3 years of architectural design experience. He has worked on a wide variety of projects from office fit-outs to private residences. Dominick has recently completed his IDP hours and is pursuing the next step to be able to sit for the Architect Registration Exam.

Dominick graduated from Wentworth Institute of Technology in Boston, Massachusetts in August of 2007 with a Bachelor of Science in Architecture. He showed outstanding leadership at Wentworth serving as the Financial Advisor for the Student Government and as a Resident Assistant for 2 years.

Dominick's responsibilities at Cornerstone consist of architectural design and drafting, project administration and project specifications. Dominick works closely with the firm's partners to ensure our client's needs are met on a daily basis.
